IAC 2023 Call for Abstracts Extended to 10 March!

We are very pleased to announce that the abstract submission deadline for IAC 2023 has been extended to **10 March 2023 (23:59 CET)** due to a high number of requests.

Come and share your most recent work, research and experiences on space. We are keen to receive your abstracts!

The theme of the IAC 2023 is centered upon “**Give Space a Chance**” and aims to explore the myriad of opportunities in space to tackle global challenges for the benefit of humanity.

Those who have not submitted an abstract yet are encouraged to do so through <https://iafastro.directory/iac/account/login/>

Abstracts can be submitted for oral or interactive presentations. For more information, please check the submission guidelines <https://www.iafastro.org/assets/files/events/iac/2023/iac-2023-abstract-submission-faq.pdf>

Do not miss the unique chance to be part of the World’s Premier Global Space Event and prepare yourself for an extraordinary experience in Baku where thousands of delegates from all over the world will come together to share their passion for space!

To find out more about what to expect at the IAC 2023, visit the official congress website: <https://iac2023.org/travelling-to-baku/>
